

DRAGON NATURALLYSPEAKING 12 PREMIUM WIRELESS

Control Your Digital World by Voice

Dragon® NaturallySpeaking® 12 Premium Wireless speech recognition software ignites new levels of personal productivity by letting you interact with your PC by voice. Don't let wires tie you down; use the included Bluetooth headset to talk to your PC with optimal freedom and comfort. Say words and they appear on your computer screen – three times faster than typing – with no spelling mistakes. Launch applications, select menu items, save files or switch from one window to another using simple voice commands. With Dragon Premium Wireless, you can speak your mind to:

- Dictate documents, spreadsheets and presentations
- Compose and send email
- Search the Web or your desktop
- Post to Facebook and Twitter
- Navigate and control your PC and applications
- Record notes using a digital voice recorder or a compatible iOS device for later transcription at your PC
- Dictate wirelessly with the included Bluetooth headset.

Delivering an amazing user experience right out of the box, Dragon Premium Wireless is easy to learn and simple to operate. It includes everything you need to get started, including a step-by-step interactive tutorial and a state-of-the-art 16 kHz Bluetooth wireless headset microphone. With Dragon Premium Wireless, you'll be able to interact with your PC comfortably to get more done faster for work, home, school or wherever life takes you.

IGNITE PERSONAL PRODUCTIVITY WITH FAST, ACCURATE DICTATION

Become more productive and creative by transforming ideas into text at the speed of thought. With Dragon Premium Wireless, you speak and your words appear on the computer screen – three times faster than typing – with up to 99% accuracy right out of the box. Correcting and updating your dictated text is quick and easy, too.

NEW! Natural sounding text-to-speech reads back editable text for easy proofing or multitasking.

NEW! Smart Format Rules allow Dragon to adapt by detecting your format corrections – abbreviations, numbers and more – so your dictated text is laid out the way you need it every time.

Dragon Premium Wireless adapts to your voice and writing style to deliver better recognition results over time. You can even personalise Dragon with your own custom vocabulary of acronyms, names and other unique phrases you frequently use.

IGNITE COMFORT AND CONVENIENCE – EVEN ON THE GO

Capture ideas and notes while they're still fresh in your mind – no matter where you are. Use Dragon Premium Wireless to dictate content at work, home, school or on the go. For optimal convenience, you can:

- **NEW! Use the included 16 kHz Bluetooth® headset for superior comfort and mobility; wideband Bluetooth support delivers exceptional recognition performance with no cumbersome wires.**
- **NEW! Use your iPhone®, iPod® touch (4th gen), iPad® or your compatible Android™ device as a remote microphone for greater freedom and flexibility.**
- Use a Nuance approved digital voice recorder or a compatible iOS device to record thoughts anywhere, at any time; Dragon automatically transcribes the audio files into text at your PC.

IGNITE EASE OF USE RIGHT OUT OF THE BOX

NEW! An interactive tutorial provides simulations to enable you to learn and practice dictation, correction and editing habits so that you can become more proficient with Dragon in record time.

The Dragon Sidebar puts important voice commands and tips in one convenient desktop location. And on-screen help means assistance is always available when you need it.

IGNITE CONTROL WITH WINDOWS AND WEB APPLICATION SUPPORT

You can use Dragon Premium Wireless with many of your favourite Windows® applications. Dictate, edit and format text in Microsoft® Word, Excel®, PowerPoint®, Outlook®, OpenOffice™ Writer and Corel® WordPerfect®. Get information on the Web using Internet Explorer®, Firefox® or Chrome™.

- **NEW! Use Dragon with the most popular web based email applications – Gmail™ and Hotmail®/Outlook.com – with Full Text Control and commands for frequent actions.**

IGNITE EFFICIENCY WITH TIME SAVING VOICE COMMANDS

Complete multiple steps with a single voice command like “Send email to John Smith and Karen Jones” or “Search the Web for financial advisors in London”. Use Dragon Voice Shortcuts™ to send email, schedule appointments, post to Facebook or Twitter or search your desktop instantly. Or create custom commands to complete routine PC tasks faster than ever before.

System Requirements

The install process checks that your system meets the minimum requirements; if they are not met, Dragon NaturallySpeaking will not be installed.

Note: Supports **Microsoft Office 2013**. Does not support dictation directly into Electronic Medical Record (EMR) systems. For EMR support, please use Dragon Medical Edition.

- **RAM:** We recommend **2 GB for 32-bit** Windows XP, Windows Vista, Windows 7, Windows 8 and Windows Server 2008, **4 GB for 64-bit** Windows 7, Windows 8 and Windows Server 2008. (Minimum: **1 GB** for Windows XP and Windows Vista, **2 GB** for Windows 7, Windows 8 and Windows Server 2008) • **CPU:** We recommend **2.2 GHz** Intel® dual core or equivalent AMD processor. (Minimum: **1 GHz** Intel Pentium® or equivalent AMD processor or **1.66 GHz** Intel Atom® processor). **Faster processors yield faster performance.** IMPORTANT: **SSE2 instruction set is required.** • **Processor Cache:** We recommend **2 MB** L2 cache. (Minimum: **512 KB**) • **Free Hard Disk Space:** **3.2 GB** • **Supported Operating Systems:** Windows 8, 32-bit and 64-bit, Windows 7 SP1, 32-bit and 64-bit, Windows Vista SP2, 32-bit and 64-bit, Windows XP SP3, 32-bit only, Windows Server 2008 SP2, 32-bit and 64-bit, Windows Server 2008 R2 SP1, 64-bit only • Internet Explorer 7 or higher for Online Help (free download at www.microsoft.com). Support for Gmail and Hotmail requires Internet Explorer 9 or 10, or the currently supported version of Firefox or Chrome – see support.nuance.com for details. • A sound card supporting 16-bit recording • A DVD-ROM drive for installation • A Nuance-approved noise-canceling headset microphone (included in purchase). See support.nuance.com/compatibility (includes USB adapters and digital voice recorders). • An Internet connection for automatic product activation (a quick and anonymous process)
